

TRAINING CHRONOGRAM																																				
SECTOR: Energy																																				
TRADE: Electrical Technology																																				
BQP LEVEL: 5																																				
SCHOOL YEAR: 2026-2027																																				
Competence Type	Competence Code	Competence title	Total duration in weeks	Term I: FROM 07/09/2026 TO 10/12/2026 - 16 Weeks												Term II: FROM 04/01/2027 TO 03/04/2027 - 12 Weeks												Term III: FROM 19/04/2027 TO 02/07/2027 - 11 Weeks
